

Directions from Plymouth

1. Come off the A38 at the **FIRST** turning to Buckfastleigh and turn right at the end of the slip road.
2. You are now on the B3380. Carry on along that road towards Buckfast Abbey, past Gilpins, past the turning to the left for the town centre (and don't turn off into Town centre) until you reach the junction shown in the photo below, which is Elliotts Cross
3. Turn right into Old Totnes Road, past Redmount Nursing Home and go under the A38 for about half a mile and then the road bends sharply left eventually over a small railway bridge with iron sides.
4. Keep on down the hill past the buildings and turn left into Dart Mills just before the river.
5. You will find Riverstone on the left (see photo far right)

If you find yourself driving along the edge of the river Dart and then reach a small stone bridge over the river you have gone too far.

Elliotts Cross
